Sales, Service & Warranty

NATIONAL SALES TEAM

Oakworks partnered with MTMC, a nationally recognized sales organization. They provide sales support to distribution partners and end-users.

FIELD SERVICE SOLUTION

We have a rapid response team and networked field service provider that will quickly address your service needs. Just a phone call away, our customer service team will arrange the fix/repair solution for you.

SUSTAINABILITY

Oakworks has maintained a strong commitment to environmental wellness. We have a proactive plan that addresses sustainability to ensure we are doing our part to preserve the health of our environment, our customers and the wellbeing of our employees.

CUSTOMER FOCUSED WARRANTY

Oakworks provides world-class products and services that consistently meet or exceed our customers' expectations. We offer a leading warranty on our medical products.

Ultrasound Tables

SOUND ERGONOMICS

ERGONOMICALLY DESIGNED BY EXPERTS

Oakworks designs our Ultrasound tables to be comfortable for the patient as well as ergonomically designed for the sonographer. Our tables will meet or exceed the needs and preferences of physicians, clinicians and hospitals.

All Oakworks Ultrasound Tables are designed with the inputs of Sound Ergonomics, leaders in the study and application of ergonomics to the ultrasound profession. Sound Ergonomics provides work site assessments and the development of ergonomic programs for diagnostic imaging professionals.

Imaging and Pain Management Tables

STABLE DESIGNS SUPPORT EXCELLENT IMAGING

Oakworks Imaging Tables have the largest height range in the industry, to facilitate safe transfer of patients and allowing doctors to stand comfortably while working with patients.

Our robust lifting column is very rigid, ensuring rock solid support for safer imaging and procedures. Getting exactly the movements you need is easy with a wide range of motions and top designs.
